12th INTERNATIONAL ARTHROPLASTY CONFERENCE, Cairo, Egypt

Course Chairman

Siegfried Hofmann

Associate Professor, LKH-Stolzalpe
Orthopaedic Department
Murau, Austria

Keynote Speaker

Rhidian Morgan-Jones

Consultant Orthopaedic Surgeon, University of
Wales, United Kingdom

Conference Chairmen

Mahmoud Hafez

Prof. & Head of the Orthopaedic Dept.
October 6 University

Rami Sorial

Past President of Asia-Pacific Arthroplasty Society.
Prof. & Head of Orthopaedic Department, Nepean
Hospital Sydney, Australia

Organizing Committee

Dr. Ahmed Tamer

lecturer of Orthopaedics,
October 6 University

Dr. Karim Hamdy

lecturer of Orthopaedics,
October 6 University

Dr. Mark Ashraf

lecturer of Orthopaedics,
October 6 University

Dr. Ahmed Nabeel

Orthopaedic Specialist,
October 6 University

Dr. Mostafa Al Nemer

Orthopaedic Specialist,
October 6 University

Dr. Micheal Yousef

Orthopaedic Resident,
October 6 University

Highlights

- ✓ - Affiliated with Asia Pacific Arthroplasty Society & co-chaired by Prof. Rami Sorial, Australia
- ✓ - 20 international speakers in addition to > 20 distinguished speakers from Egypt. All gather to exchange experiences on joint replacement.
- ✓ - Pre-conference course: The renowned Stolzalpe Instructional Course on Difficult Revision TKR moderated by Prof. Hofmann with Rhidian Morgan-Jones, UK and 4 other experts.
- ✓ - Workshops on saw bones for primary and revision arthroplasty.
- ✓ - Live surgery (post conference) for TKR, THR and Oxford Uni, Shoulder using PSI by local and invited experts.
- ✓ - Talks and workshops on arthroplasty of large and small joints.
- ✓ - ICL on infection by WAIOT leaders.
- ✓ - Innovation Fair on new Musculoskeletal techniques & tools.
- ✓ - Symposia on CAOS and PSI
- ✓ - CME certificate accredited by Australian Orthopaedic Association.
- ✓ - Ethical compatability with European Compliance Portal.

Faculty

(Arranged Alphabetically)

Ahmed Samy

Assistant professor of orthopedic surgery and Head of Arthroplasty Services, Tanta University, Egypt.

Specialized in primary and revision hip and knee arthroplasty. Fellowship at Rizzoli Orthopedic Institute, Bologna University, Italy

AYMAN EBIED

Professor and consultant orthopedic surgeon at Menoufia University Hospitals in Egypt. Prof. Ebied's main clinical practice is complex primary and revision hip and knee arthroplasty.

Has a special interest in revisions for periprosthetic infection.

He gained his primary qualification and basic surgical training at Menoufia University Hospitals, then received speciality training in the UK Between 1998 and 2007. He was a specialist registrar then a senior clinical fellow at the Merseyside region (North West Rotation, UK).

He is a fellow of the Royal College of Surgeons of England in Trauma and Orthopedics (FRCS Tr & Orth). His academic qualifications are MCh and PHD from the university of Liverpool.

Founding member and vice president of the Egyptian Association of Arthroscopy and examiner at the royal college of surgeons of England since January 2014.

BAHIR ELIAS

Senior Consultant Orthopedic Traumatologic Hand and Plastic surgeon, MaStre Sciences Mdicales, Besançon, France

SURGICAL PROCEDURES ORTHOPEDIC AND TRAUMATOLOGIC SURGERY

Highly complicated fractures of all bones and joints, including acetabular & pelvic fractures.

Primary and revision prosthesis of the shoulder, elbow, hip and knee. Knee arthroscopy, Meniscus surgery, ACL reconstruction. Shoulder surgery.

Hand and Microsurgery. Foot and ankle surgery, Flaps, skin, muscles and reconstructive surgery, Tumor surgery **FEMALE GENITAL PLASTIC AND COSMETIC SURGERY**

Humanitarian surgery Clitoral, labial and hymen reconstruction, and plastic repair, after female genital mutilation.

SPECIALITY Consultant orthopedic and traumatologic surgeon French National Medical council Since June 2000

Consultant plastic reconstructive and esthetic surgeon French National Medical council Since September 2005

BASIM FLEEGA

Director GOC Orthopaedic Shoulder Hospital, Bonn, Germany

Former official representative of Germany in the International Shoulder Society and founder of the German Shoulder Society

Head department shoulder surgery Heinrich-Hans Orthopedic Hospital, Neuwied, Germany, 1989 - 1983. Fellow shoulder and elbow surgery New York Orthopedic Hospital, New York City, 1985. Director, head orthopedic department GOC Orthopedic Hospital, Bonn, Germany, since 1989.

Board member German Orthopedic Traumatology Society, 1998.

His Achievements include patents for set of medical instruments for placing and shifting knots during surgery. Patents in field.

Member of European Shoulder Society (board member since 1988), International Shoulder Society (official representative German shoulder surgeons 1992-1989), Shoulder Society Germany (founder).

CARLO ROMANÒ

G. Secretary of WAIOT, Professor, the Center for Reconstructive Surgery and Osteo-Articular Infections (CRIO) of IRCCS Galeazzi, Milano, Italy

Professor at the School of Specialization in Orthopedics and Traumatology, University of Milan.

Technical Consultant at the Milan Tribunal. President of the European Bone and Joint Infection Society.

Past-President of the Italian Group of Study and Therapy of Osteo-Articular Infections.

Regional Delegate for Lombardy of the Italian Society of Orthopedic Surgeons of Private Hospitality Already National Advisor to the Association of Orthopedic and Traumatic Hospitals of Italy (OTODI) is Secretary of the Lombardo Hospital of Orthopedics (SLOTO).

Former Medical Manager at the Center for Surgery of the Ankle Displasics and at the Center for Surgery of the Knee and Foot of the Gaetano Pini Orthopedic Institute in Milan, he has performed his work at the Operational Unit of Surgery of Orthopedic Surgery, Istituto Ortopedico Gaetano Pini of Milan, where he was responsible for the treatment of septic prostheses.

DERMOT COLLOPY

Dr. Collopy is a Perth-based surgeon specialising in hip and knee replacement, revision arthroplasty, and pelvic and acetabular trauma. He is well-respected nationally and internationally, and is a regular speaker on the national and international circuit. He completed his residency and advanced surgical training at Royal Perth Hospital.

After gaining FRACS Ortho in 1994, he undertook three years of overseas fellowship training in the area of hip and knee arthroplasty and revision surgery, initially at the Nuffield Orthopaedic Centre, Oxford UK, followed by a further year at the Cleveland Clinic, Ohio, and finally a fellowship in pelvic and acetabular trauma at Parkland Memorial Trauma Centre, Dallas Texas. Dr. Collopy works as a Consultant at St John of God Private Hospitals in Perth. His research interests are in hip and knee implant design and fixation and he was one of the design surgeons on the Emperion revision hip system, the Triathlon knee system and the Accoladell hip system. He, together with one of his partners, Mr Gavin Clark, is involved in developing robotics in knee and hip replacement.

Dr. Collopy is the immediate Past-President of the Arthroplasty Society of Australia, and is currently the Chairman of the WA State branch of the AOA. He sits on numerous committees, including the AOA Scientific Committee, the COE Committee, and the NJRR Committee. Qualifications: Bachelor of Medicine / Bachelor of Surgery, UWA 1986 F.R.A.C.S. (Ortho) 1994 Registration Specialist registration with AHPRA. Professional Memberships: Australian Orthopaedic Association Fellow Australian Arthroplasty Society Member Royal Australasian College of Surgeons Fellow American Academy of Orthopedic Surgeons AA International Affiliate Member - Australian Medical Association. Dermot consults from Perth Hip and Knee's main rooms in Subiaco and from the Consulting Suites at SJOG Murdoch Hospital in Murdoch. Dermot operates at SJG Subiaco and SJG Murdoch Hospitals.

EMAD SAWEERES

Assistant Professor & Consultant Orthopaedic Surgeon El-Sahel Teaching & Good Shepherd Hospitals, Cairo, Egypt

Saweeres is an Assistant Professor and Consultant Orthopaedic Surgeon; El-Sahel Teaching & Good Shepherd Hospitals, Cairo, Egypt; AOTrauma Regional Faculty and Chairman of Basic and Advanced Courses; Fellow of the Academy of the European Federation of National Associations of Orthopaedics and Traumatology (EFORT); Scientific Council Member, Egyptian Fellowship in Orthopaedics & Trauma (EFOT); EFOT International Accreditation Committee member; AOTrauma Online Editorial Group Member. His research interests include ACL, arthroscopy, hip and knee arthroplasty, medical education, orthopaedic biomechanics and orthopaedic surgery rehabilitation.

Faculty

(Arranged Alphabetically)

FOUAD ZAMEL

Associate Professor of Orthopaedics in Cairo University, Egypt

MSc Orthopaedics, Cairo University Medical School

MBBch. MBScs Orthopaedics. FRCS (Edinburgh). MD Orthopaedics (Cairo University).

FRCS (Trauma & Orthopaedics).

Clinical experience: extensive experience in adult lower limb reconstruction including management of pelvis and acetabular fractures early and neglected. complex Hip and knee reconstruction including complex and revision arthroplasties. Complex lower limb trauma as part of interest as international AO faculty. AO regional program contributor for the middle east for periprosthetic AO task force.

HEINZ WINKLER

Head of the Osteitis-Center at Privatklinik Dobling Austria

Past President of the European Bone and Joint Infection Society (EBJIS)

Head of the Osteitis-Center at Privatklinik Döbling, Austria

IBRAHIM MOSTAFA

Professor and consultant orthopaedic surgery at Alazhar university, Cairo, Egypt

head of the orthopaedic department Al Azhar university hospitals

Fellow of the American Academy and AO trauma

Has special interest in primary and revision total hip and total knee arthroplasties and knee arthroscopy surgeries

ISMAIL GHAZAL

Consultant Orthopaedic surgeon, Amman, Jordan

Jordanian Board in Orthopaedic Surgery Jordan 1990, no.1082

1988-1986 PhD Orthopaedic Surgeon Moscow- Central Traumatology Orthopaedic Institute

1984-1981 Master Orthopaedic and Traumatology Rostov on Don Medical Faculty

1980-1974 M.D Doctor of Medicine- Medical Institute of Medical Sciences Oran-Algeria.

1974 General Secondary Education Certificate Kuwait

-1991 Date: Full time practice in own private clinic as a consultant orthopaedic surgeon.

1986-1984 senior orthopaedic resident.

1981-1980 Rotating Internship Medical Institute of Medical Sciences.Oran-Algeria

Member of Jordanian Association of Orthopaedic Surgeons.

Member of Jordanian Medical Association.

Faculty

(Arranged Alphabetically)

KHALED FAWZY

Professor Trauma & Orthopaedic Surgery, Cairo University, Egypt.
Head of Pelvic Surgery and Arthroplasty Unit
Qualifications MCh Orth Liverpool, FRCS Tr & Orth England
Training : Cairo University Hospitals
Northwest Thames and Yorkshire, UK

KHALED HASSAN

Professor and Head of the Orthopaedic department, Faculty of Medicine, Zagazig University. Head of Arthroplasty Unit. Cairo, Egypt

MAHMOUD HAFEZ

Professor & Head of the Orthopaedic Dept., October 6 University, Cairo, Egypt
He holds MB BCH (Cairo), MSc Orth (Cairo), Dip SICOT (Belgium), FRCS Ed (UK), MD (Leeds, UK).
He is currently a Professor and Head of the Orthopaedic Department, Faculty of Medicine, October 6 University, Cairo, Egypt and serves as a Locum Consultant Orthopaedic Surgeon, NHS, UK, & he is Visiting professor, New Vision University, Georgia. He is Examiner, SICOT Diploma, SICOT, Belgium
Executive Committee Member of CAOS-International Society, Glasgow, UK

Professor of Orthopaedics, Ain Shams University, Cairo, Egypt

Faculty

(Arranged Alphabetically)

MOJIEB MANZARY

Chief Orthopedics Services, John Hopkins Aramco Health Care Center,
Dhahran, Saudi Arabia
He holds MD, CM, FRCSC
Consultant, Orthopedic & Adult Joint Reconstructive Surgeon
Chief Orthopedics Services, John Hopkins Aramco Health Care Center, Dhahran, Saudi Arabia
Medical School King Saud University Riyadh - 1993
Orthopedic Residency Univ of Toronto Canada - 2001-1996
Fellow of Royal College of surgeons of Canada Adult Joint Reconstruction Fellowship UBC
VANCOUVER , Canada. 2006-2004
Author of Multiple Articles & Textbook Chapters in Peer reviewed international Journals

MUHAMMAD AMIN CHINOY

Head, Dept of Trauma & Orthopedics The Indus Hospital, Karachi, Pakistan
Chairman, Infection Section, Asia Pacific Orthopaedic Association 2020-2018
Chairman, Scientific committee, 5th Paediatric Orthopaedic Conference, 2019
Co-Chairman, Scientific Committee, Pakistan Orthocon 2018
President, Pakistan Orthopaedic Association 2016-2015
Country Delegate, European Bone and Joint Infection Society
National Coordinator, Pakistan National Joint Registry
Fellow, British Orthopaedic Association
Treasurer, Pakistan Arthroplasty Society
Co-Chairman, Scientific Committee, Pakistan Orthocon 2014
Ex-Secretary, Editorial Board, Journal of Pakistan Orthopaedic Association
Treasurer, Pakistan Orthopaedic Association 2009-2006

NABIL ELSAHY

Emeritus professor, Georgia Medical College, Atlanta, USA
Graduated from Ain Shams University. He did his internship in Bradford Royal Infirmary in England and residency in Winnipeg Canada, he then practiced plastic surgery in Canada. He was hired as a professor in plastic surgery at the medical college of Georgia as well as chief of plastic surgery at V.A. Hospitals in the U.S.A. He is the C.E.O. Of the plastic surgicenter in Atlanta, in the U.S.A., Dokki, and Maadi in Egypt.
Dr. ElSahy is an active member in many American, Canadian and international societies.
Dr. ElSahy has over one hundred original papers published in international journals of plastic surgery.
Recently he published two text books on plastic surgery of the nose and the ears respectively

Faculty

(Arranged Alphabetically)

PARAG SANCHETI

Professor & Chairman, Sancheti Institute For Orthopaedics & Rehabilitation, Pune Area, India
Dr. Parag Sancheti, a practicing Orthopaedic Surgeon is the Chairman and Managing Director at Sancheti Institute for Orthopaedics & Rehabilitation and Joint Replacement Center. He is the visiting consultant for MCh Course at University of Dundee, U.K.

He is currently the President of Poona Orthopaedic Society, Secretary General for Asia Pacific Knee Society, Vice President of Indian Association of Sports Medicine (IASM). He is the founder member of Indian Society of Hip and Knee Surgery. He is on board of the International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS) of USA. He has also been the past secretary of Indian Arthroscopy Society (IAS). He was the Conveyer of the Medical Committee of the Commonwealth Youth Games held in Pune in 2008. His special interest lies in Total Joint Replacement surgery of the hip and knee, knee arthroscopy, pelvic and acetabulum fractures, Orthopaedic Research & Academics and most importantly sports injuries.

Dr. Sancheti has presented many papers in India and Abroad on subjects like 'Indus Knee Results of 150 early cases', Meniscal Injuries, Arthrobroisis, Meniscus Tears, TKR etc, and has also won many awards for best paper and presentation. He has more than 50 Publications in National and International journals to his credit. Some of which are-
• Knee Osteoarthritis
• Recent advances in its management
• Role of Kanamycin Antibiotics Beads in management of chronic
Many of his scholarly works have been included in medical textbooks as a part of the curriculum.

He has himself authored a book 'Clinical Research Made EASY'. He has won social awards like the Rashtra Seva Puraskar, Best Chapter Award, MITCON Achievers Awards and nominated as one of the Icons of Pune by the Lokmat Group for having contributed for the development of the city. He has been conferred with Hon. Fellowship of Royal College of Surgeons at Edinburgh.

RAJEEV SHARMA

Chairman, Institute of Adult Reconstruction, Sports Injury & Joint Replacement Vimhans Primamed Super Speciality Hospital, India

He holds MBBS, MS - Orthopaedics, DNB degrees.

He has been associated with Indraprastha Apollo Hospital, New Delhi as Senior Consultant Orthopaedics & Joint Replacement Surgeon since 2016-1998. He has been associated with All India Institute of Medical Sciences, New Delhi as Senior faculty 1998-1992. He has been active in academic & teaching activities. Has delivered 261 lectures in various national and International conferences & meetings.

He has organized 25 scientific conferences so far. He has been involved with primary & revision arthroplasty of knee & hip, Unicondylar Knee Replacement, Surface hip arthroplasty (BHR), Ceramic on Ceramic Anatomical Head Delta motion THR, Shoulder Arthroplasty and Arthroscopic procedures of Knee (Ligament reconstruction, Meniscal suturing, Menisectomy etc) apart from trauma surgery. He has done over 6000 Total Joint Replacements.

He has been a keen user of mobile bearing Total Knee Implants. He has done 1100 mobile bearing knee replacements. He used 650 high flexion knee implants (PFC-RPF & PS150-). He conducted more than 1000 cases of Total Knee Arthroplasty using Computer Navigation. He developed proficiency in minimally invasive Total Knee Arthroplasty with minimal blood loss and excellent pain management. He has started first Bone Bank at Indraprastha Apollo Hospital in Delhi in 2004.

Faculty

RAMI SORIAL

Past President of Asia-Pacific Arthroplasty Society (APAS)

Head of Orthopaedic Dept., Nepean Hospital, Sydney, Australia

Dr Sorial has completed 3 years as the President of the Asia Pacific Arthroplasty Society and is now serving in the role of scientific chairman for APAS.

Dr Rami Sorial was trained in Sydney and completed Fellowship of the Royal Australasian College of Surgeons in 1993. He undertook two further years of subspecialty training in hip and knee surgery including fellowships in Phoenix and Boston and further training in London before returning to a senior lecturer post at the Royal North Shore Hospital in 1996.

He was appointed to the Nepean Hospital in 1997 as a VMO and continues to provide a specialty practice in both primary and complex revision joint reconstruction, knee and hip replacement, arthroscopic knee surgery and ligament reconstruction as well as a trauma service for a busy regional trauma centre.

He is currently Head of Department at Nepean Hospital in Penrith with appointments also to Nepean Private Hospital and Macquarie University Private Hospital. His academic appointments include Adjunct Associate Professor of surgery Sydney University.

Dr Sorial has lectured extensively on the wide topics of joint replacement and reconstruction both nationally and internationally and has participated in demonstration surgeries locally and overseas to advance and share surgical skills particularly within the Asia Pacific Region.

He was awarded a visiting professorship through Sichuan University for his work in West China Hospital

RAOOF AL ABASSI

Professor Military Medical Academy, Former Head of Al Helmia Military Orthopaedic Hospital and Head of Arthroplasty Unit.

RHIDIAN MORGAN-JONES

Consultant Orthopaedic Surgeon, University of Wales, United Kingdom

Dr. Rhidian Morgan-Jones holds MB.BCh., FRCS (Ed), M.Med.Sci., FRCS (Tr&Orth).

Dr. Morgan-Jones is a fellowship trained Consultant knee specialist and Honorary Lecturer at the University Hospital of Wales, Cardiff. He consults with the most complex of patients, from all over the UK and abroad, to resolve failed knee surgery. He offers a supra-specialist service dealing with all causes of failed knee replacement including infection.

He is a dedicated Knee surgeon specialising in arthroscopy, anterior cruciate ligament reconstruction, knee replacement and revision of failed knee replacements. Dr. Morgan-Jones also provides a regional service for the treatment of bone and joint infection and complex trauma; including osteomyelitis, non-unions, deformity and infected knee replacements.

Radwan Gamal

Assistant Professor in Ain Shams University

Faculty

(Arranged Alphabetically)

SIEGFRIED HOFMANN

Associate professor, LKH-Stolzalpe Orthopaedic Dept., Murau, Austria Head Knee Training Centre , LKH Stolzalpe Austria

Dr Siegfried Hofmann holds Magna cum laude at the Medikinale International in Parma. He received an Award of the Austrian Society for Orthopedics and Orthopedic Surgery, Prize of the German Society of Orthopedics and Traumatology. He was awarded the ASG (Austrian-Swiss-Germany) scholarship and recognized by numerous organizations of scientific and educational events. He is a member of the Austrian Society for Orthopedics and Orthopedic Surgery, Arbeitsgemeinschaft Arthroskopie (AGA), European Hip Society Association Research Circulation Osseous (Vice- President 1999 - 1996), American Orthopedic Research Society Internat and the American Academy of Orthopedic Surgeons (AAOS).

SAM MORGAN

Consultant Orthopaedic Surgeon, St. Helens & Knowsley Hospital, Liverpool, UK

His practice is based in the Northwest. He strives for surgical excellence and believes in involving his patients in decision making throughout their treatment. Mr. Morgan offers a service that reflects current thinking and best medical practice in orthopaedic surgery and most importantly respond to the needs of the local community Following completion of higher surgical training in trauma and orthopaedic surgery

Mr. Morgan was awarded a place on the highly regarded foot and ankle training fellowship in Leeds Teaching Hospitals in UK with the world renowned foot and ankle surgeon, Mr. Nick Harris. Following this, further fellowship training was undertaken in foot and ankle surgery focusing on sports injuries. He has extensive experience in complex foot and ankle reconstruction surgery, sports injuries, foot and ankle arthroscopic surgery, ankle replacement surgery, foot and ankle minimally invasive surgery, bunion and lesser toes surgery.

He currently works as a Consultant Orthopaedic Surgeon, specialising in foot and ankle disorders at St. Helens and Knowsley Teaching Hospitals in Liverpool, UK. He lectures at national and international conferences and has published extensively within his field. He is the author of over 50 original publications covering many aspects of orthopaedics especially foot and ankle surgery. He is a member of the British foot and ankle society (BOFAS), American Academy of orthopaedic surgeons (AAOS) and European foot and ankle society (EFAS)

SAMEH ANSARA

Consultant Orthopaedic Surgeon, Dumfries Galloway Royal Infirmary, Dumfries, UK

He did shoulder Fellowship in George Pompidou in Paris, France.

His interest is shoulder surgery, specialised in:

Arthroscopic shoulder surgery for instability and rotator cuff damage.

Shoulder replacement for arthritis.

Peripheral nerve decompression at wrist and elbow as well as release of tennis elbow.

He introduced shoulder pathway in the Dept., for fast tracking and better efficiency.

He got the NHS consultant award of Clinical Excellence

He published and presented articles in journals and conferences

End of day One

Friday 1st February 2019 Conference

Primary TKA Symposium

Session 1 **Surgical Approaches and Techniques**

Chairmen (Alphabetical)

Rami Sorial

Ayman Ebeid

Talks: 10 minutes

08.00 – 08.10

Surgical approaches for today

Speaker : Emad Saweeres

08.10 – 08.20

Steps in tackling severe varus deformity

Speaker : Parag Sancheti

08.20 – 08.30

Managing severe valgus deformity

Speaker : Rajeev Sharma

08.30 – 08.40

Critical steps in balancing the soft tissue envelope in primary TKA

Speaker : Shahid Noor

08.40 – 08.50

Getting the femoral component right

Speaker : Parag Sancheti

08.50 – 09.00

Cementing techniques in TKA

Speaker : Khaled Fawzy

09.00 – 09:10

An approach to the stiff knee in primary TKA

Speaker : Siegfried Hofmann

09.10 – 09:20

An approach to managing fixed flexion deformity

Speaker : Rajeev Sharma

09.20 – 09:30

Questions

Friday 1st February 2019 Conference

09.30 – 10.00

Opening Ceremony

Welcome - Prof Mahmoud Hafez

Special Guest Speaker - Rhidian Morgan Jones

10.00 – 10.15

Morning Tea

Primary TKA Plenary Session

Session 2 New horizons in TKA

Chairmen (Alphabetical)

Mojieb Manzary

Timour El Hussein

10.15 – 10.30

Mechanical or Kinematic what are we aiming for

Speaker : Ayman Ebied

10.30 – 10.45

Robots will have a sentinel place in knee arthroplasty surgery

Speaker : Dermot Collopy

10.45 – 11.00

Antibacterial Coating of Cementless Implants: Technique and Results

Speaker : Carlo Romano

11.00 – 11.10

Questions

11.10 – 11.25

Patient specific instrumentation-a critical analysis

Speaker : Mahmoud Hafez

11.25 – 11.40

PSI TKA: Early Jordanian Experience

Speaker : Ismail Ghazal

11.40 – 12:00

Questions

12.00 – 13:00

Friday Prayer

Workshop: Revision THA

Friday 1st February 2019 Conference

Primary Hip Surgery

Session 3 Getting it right the first time

Chairmen (Alphabetical)

Syed Shahid Noor

Mahmoud Mabrouk

Talks: 10 minutes

13.00 – 13.10

The posterior approach - avoiding common errors

Speaker : Rami Sorial

13.10 – 13.20

Direct Anterior Approach - video highlights

Speaker : Emad Saweeres

13.20 – 13.30

**Leg Length Inequality in THA - how to avoid
and what to do if you get it wrong!**

Speaker : Muhammad Amin Chinoy

13.30 – 13.40

Getting the acetabular component position right

Speaker : Dermot Collopy

13.40 – 13.50

THA for fracture neck of femur

Speaker : Raoof Al Abassi

13.50 – 14.00

Patient satisfaction with dual mobility cup for THA

Speaker : Ahmed Samy

14.00 – 14.30

Workshop

Uni Compartmental Replacement (Oxford)

14.30 – 15:00

Lunch

Friday 1st February 2019 Conference

Primary Hip Surgery

Session 4 **Securing Stability**

Chairmen (Alphabetical)

Emad Saweeres

Nabil El Sahy

Talks: 10 minutes

15.00 – 15.10

Good Cementing technique in THA

Speaker : Timour El Hussein

15.10 – 15.20

Cementless THA, when a “non-cementer” should cement

Speaker : Dermot Collopy

15.20 – 15.30

Dual mobility - does it have a role in routine THA?

Speaker : Sayed Shahid Noor

15.30 – 15.40

Alternative bearings - what and who

Speaker : Muhammad Amin Chinoy

15.40 – 15.50

How to manage the post THA dislocation

Speaker : Mojieb Manzary

15.50 – 16.00

Techniques for Hip Replacement in dysplasia

Speaker : Rajeev Sharma

16.00 – 16.10

Techniques for takedown arthrodesis

Speaker : Mojieb Manzary

Friday 1st February 2019

Conference

Session 5 | Securing Stability

Chairmen (Alphabetical)

Heinz Winkler

Dermot Collopy

Talks: 10 minutes

16.10 – 16.20

Updates from 2nd ICM on PJI and today's diagnostic tools for diagnosis

Speaker : Muhammad Amin Chinoy

16.20 – 16.30

Early Revision of PJI : What is the Real Value of DAIR ?

Speaker : Rhidian Morgan Jones

16.30 – 16.40

Two Stage Revision - indications and techniques

Speaker : Sayed Shahid Noor

16.40 – 16.50

One Stage Revision TKA is the NEW Gold Standard?

Speaker : Rhidian Morgan Jones

16.50 – 17.00

One Stage revision - Why and Why Not

Speaker : Heinz Winkler

17.00 – 17.10

The role of knee arthrodesis in PJI

Speaker : Siegfried Hofmann

17.10 – 17.20

When Enough is Enough - Can AKA still be a good ending

Speaker : Rami Sorial

17.20 – 17.30

Selection and timing of THA in aseptic loosening with a reference to TB

Speaker : Sayed Suhaib

Friday 1st February 2019 Conference

Session 6 Panel of Experts Discussion

17.30 – 19.00 Primary and complex knees

Chairmen: Parag Sancheti

Panel: Siegfried Hofmann
Sayed Shahid Noor
Rajeev Sharma
Mojieb Manzary
Morgan Jones
Emad Saweeres
3 Egyptian faculty

End of day two

Saturday 2nd February 2019 Conference

Session 7 UKA Symposium

Chairmen (Alphabetical)

Rajeev Sharma

Ibrahim Mostafa

08.00 – 08.10 **Monocompartment arthritis - the options in the 21st century**

Speaker : Siegfried Hofmann

08.10 – 08.20 **An approach to patient selection for UKA**

Speaker : Rami Sorial

08.20 – 08.30 **Surgical techniques for fixed and mobile bearing UKA**

Speaker : Mahmoud Hafez

08.30 – 08.45 **UKA - the results**

Speaker : Emad Saweeres

08.45 – 09.00 **Revising the failed UKA**

Speaker : Rami Sorial

09.00 – 09.10 **Questions**

Saturday 2nd February 2019 Conference

Session 8 Revision TKA

Chairmen (Alphabetical)

Siegfried Hofmann

Khaled Hassan

09.10 – 09.20

Managing Instability following TKA, a major cause of early revision and patient dissatisfaction

Speaker : Mojieb Manzary

09.20 – 09.30

Persistent Post Surgical Pain in TKA: Diagnosis, Prevention and Treatment

Speaker : Parag Sancheti

09.30 – 09.40

Solutions for Periprosthetic Fractures in TKA

Speaker : Sayed Shahid Noor

09.40 – 09.50

Managing the stiff TKA

Speaker : Dermot Colopy

09.50 – 10.00

Constrained or Fixed Knee Prosthesis in Infection: Where is the limit?

Speaker : Carlo Romano

10.00 – 10.15

Questions

Saturday 2nd February 2019 Conference

10.15 – 10.25

Management of bone loss in Revision TKA

Speaker : Rhidian Morgan Jones

10.25 – 10.35

Sleeves and cones - indications and technique

Speaker : Rami Sorial

10.35 – 10.45

Managing the compromised extensor mechanism

Speaker : Rajeev Sharma

10.45 – 10.55

Enlarging role of hinges in Revision TKA

Speaker : Rhidian Morgan Jones

10.55 – 11.05

Soft tissue reconstruction over prosthetic joints

Speaker : Nabil Elsayh

11.05 – 11.15

Questions

11.15 – 11.30

Morning Tea

Saturday 2nd February 2019 Conference

Session 9 Panel of Experts Discussion

11.30 – 13.00 **Technology In Arthroplasty and Complex Hips**

Chairmen: Rami Sorial

Panel:

- Dermot Colopy
- Mojieb Manzary
- Rajeev Sharma
- Mahmoud Hafez
- Timour El Hussein
- Emad Saweeres
- Raoof Alabassi

Saturday 2nd February 2019 Conference

Session 10 CAOS/PSI Invited and Free Papers

Chairmen (Alphabetical)

Rhidian Morgan Jones

Mahmoud Samy

13.00 – 13.10

PSI TSA: Scottish Egyptian collaberation

Speaker : Sameh Ansara

13.10 – 13.20

How can PSI assist when short on implant stock for TSA

Speaker : Basim Fleega

13.20 – 13.30

Short stem shoulder replacement

Speaker : Sameh Ansara

13.30 – 13.40

Arthroscopic management of comminuted proximal humeral fracture

Speaker : Basim Fleega

13.40 – 13.50

Arthroplasty for HIV patients

Speaker : Dhiren Mahadeva

13.50– 14.00

Questions

14.00 – 14:30

Workshop: ORTHOHOUSE Primary Knee TKA

14.30 – 15.00

Lunch

ORTHOHOUSE
Arthrex, Lima, Maxx

Saturday 2nd February 2019 Conference

Session 11 Revision Hip Surgery

Chairmen (Alphabetical)

Carlo Romano

Khaled Fawzy

Talks: 10 minutes

15.00 – 15.10

Femoral bone deficiency in revision THR- classification and choice of stems

Speaker : Mojieb Manzary

15.10 – 15.20

Extraction techniques in revision THA

Speaker : Rami Sorial

15.20 – 15.30

Conservative femoral revision with a cemented stem

Speaker : Timour El Hussein

15.30 – 15.40

Reconstructing the Femur In Revision THR - The benefits of Modularity

Speaker : Dermot Collopy

15.40 – 15.50

Taper corrosion in THA - What, Who and How?

Speaker : Mojieb Manzary

15.50 – 16.00

Questions

Saturday 2nd February 2019 Conference

Session 12 Revision Hip Surgery

Chairmen (Alphabetical)

Parag Sancheti

Mahmoud Hafez

Talks: 10 minutes

16.00 – 16.10

Algorithm for managing acetabular bone loss - jumbo cups, augments and cages

Speaker : Shahid Noor

16.10 – 16.20

Role for Dual Mobility In Revision Surgery

Speaker : Ayman Ebied

16.20 – 16.30

Hybrid technique of acetabular grafting in revision THA

Speaker : Fouad Zamel

16.30 – 16.40

Managing periprosthetic fractures in THA

Speaker : Ayman Ebied

16.40 – 16.50

Revision THA for implant failure

Speaker : Khaled Hassan

17.00 – 17.10

THR with acetabular reconstruction after fractures

Speaker : Fouad Zamel

17.10 – 17.20

Closing Ceremony

17.20 – 17.30

Afternoon Tea

End of Meeting

Workshop: Physiotherapy

Innovation fair (posters for innovative techniques and patents)

Mohamed El Feky, Dubai

Ahmed El Khawaja, Egypt

Nabil El Sahy, USA

Ashraf Fansa, USA

Karim El Soukary, Egypt
